

Nazareth, the city of treasures!!

Nazareth, the capital city of northern district of Israel, is often referred as ‘the cradle of Christianity’. This spiritual destination is nearly 2000 years old. The city is considered as the city of religion and faith. Pilgrims from various part of the world visit this scared place.

City of old and new: Few hundred decades back this city has no trade routes. Thus the economic value of the city was nil. The town consisted few homes, oil and wine presses, farm and fields. Now the city serves as the home to various sites. Around one million visitors travel to this region to see the childhood home of Jesus. The city depicts the blend of ancient stories and modern times. Today’s walking tour in Nazareth allows the visitors to enjoy the beauty and fascinating corners of the city. It displays the customs, tradition and history of the spiritual destination and country side.

Attractions of Nazareth: **The city of Nazareth** is packed with many treasures of changing times. The Catholic Basilica of the Annunciation is the holist place in Israel. People consider as a fortune to visit this place, because the angel Gabriel foretold Virgin Mary about the birth of Child Jesus at this place. The next is the Greek Orthodox Synagogue Church which is considered as the place where Jesus proclaimed his teaching to the people. The Church of St. Joseph’s carpentry is the workshop of Joseph which motivates and inspires everyone to throw efforts and devotion to their work. Mensa Christi Church were Jesus dined with his Apostles, The Greek Orthodox of the Annunciation, which is built over the Mary’s well, White Mosque, the house of today’s prayer and museum and lot more Churches and site attractions are this traditional location. The architecture, narrow streets, picturesque houses and more gives an amazing experience to travel around.

Tastes of Nazareth: The market of Nazareth is mostly attracted by the visitors. The colorful and lighted stalls of this market provide an excellent shopping experience for food, clothing and other accessories. The most popular natural honey, dates syrup and

other flavors, come right from the hills of Nazareth. It is pure, hygienic and natural that promises the authentic Middle Eastern experience. The eateries, bakeries and taste of spices and lot more feature the world class cuisine. Today the restaurants and hotels of this place provide an excellent taste and flavor, and comfort to stay.
